

4070 Assignment of Educational Support Personnel - ~~Emergency Situations~~ Working Hours in Exceptional Situations

It will be the responsibility of the principal of each building to determine whether all or any educational support personnel assigned to his/her building remain on the job:

- during ~~an emergency~~ a closure of schools; or
- during an ~~emergency~~ exceptional situation which affects the employee(s) but which does not force a closure of schools.

Employees will be paid only for hours worked in such a situation. However, principals may arrange for the employee(s) to work hours equal to those lost in a non-overtime situation so total salary will be comparable.
