Kip Farnum  
Campbell County School District  
P.O. Box 3033  
Gillette, WY 82717

Dear Mr. Farnum:

2021-2022 was the last year the NEW Community Health Foundation was involved in the VIP (Vaccine for Influenza Prevention) Project. Included is a check in the amount of \$23,471.00 which is left over funding accumulated over the last several years of the project.

Since Campbell County School District (CCSD) has taken over the VIP Project as Project Manager, the Community Health Foundation Board of Directors approved all remaining funding go to CCSD to continue the project.

The Community Health Foundation would like to wish CCSD and other partners great success with the future of the VIP Project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nachele McGrath'. The signature is fluid and cursive.

Nachele McGrath  
Executive Director
