

5050-R Advanced Grade Level Placement

The following criteria will be used to make decisions regarding advanced grade level placement:

- A request from a parent or guardian must be made in writing to the school in which currently enrolled.
- A decision regarding advanced grade level placement will be made by a placement team consisting of the student's teacher(s), principal, school counselor, school psychologist, and the Deputy Superintendent or designee.
- Qualitative and quantitative assessments will be used to measure student achievement.
- Social development of the student will be considered including recommendations from the student's teacher(s), school counselor, principal, and school psychologist.
- Based on review of academic progress, achievement, attitude, social adjustment, and age factors; a decision will be made by the placement team in order for the student to be placed in the most favorable environment for achievement.
- This process will be completed within 30 working days of the parent request. A written summary of the placement team's decision will be provided to the parent or guardian.
- A decision may be appealed by making a request in writing to the Superintendent.
- The CCSD Board of Trustees has final decision-making authority.
